Metropolitan Commercial Bank Hosts Community Seminar in Diamond District

NEW YORK, N.Y. – April 2, 2018 – Metropolitan Commercial Bank’s Diamond District banking center recently hosted an E-Commerce, Direct Response and Strategic Planning seminar for the Diamond District’s jeweler owners. The seminar, part of the 47th Street Business Improvement District’s ongoing educational initiatives, was presented by Paychex representatives—discussing marketing strategies to enhance profits of the local businesses.

The Bank’s Diamond District banking center team continues to utilize its banking center as a venue for local community groups to gather and collaborate. This is another example of Metropolitan Commercial Bank’s engagement with the communities and neighborhoods it serves.
